WHEREAS by an Agreement made on the 29th day of May, 1893, between Mwanga Kabaka of Uganda of the one part and Sir Gerald Herbert Portal, Knight Commander of the Most Distinguished Order of Saint Michael and Saint George, Companion of the Most Honourable Order of the Bath, Her Britannic Majesty's Commissioner and Consul-General for East Africa on behalf of Her Majesty's Government in the United Kingdom (hereinafter referred to as "Her Majesty's Government") of the other part the said Kabaka Mwanga did pledge and bind himself to certain conditions with the object of securing British protection and assistance and guidance for himself and his people and dominions:

AND WHEREAS the said Kabaka Mwanga by the said Agreement undertook on behalf of himself and his successors to make a Treaty in the sense of or in a similar sense to the said Agreement in the event of Her Majesty's Government being willing to assent to the said conditions:

AND WHEREAS on the 19th day of June, 1894, a notification dated the 18th day of June, 1894, was published in the London Gazette stating that under and by virtue of the said Agreement Uganda was placed under the Protectorate of Her Majesty Queen Victoria:

AND WHEREAS in pursuance of the undertaking aforementioned and in consideration of the bestowal by Her Majesty Queen Victoria of

the protection which the said Kabaka Mwanga had requested in the said Agreement of the 29th day of May, 1893, by a Treaty made on the 27th day of August, 1894 (hereinafter referred to as "the Buganda Agreement, 1894") between the said Kabaka Mwanga of the one part and Henry Edward Colville, a Companion of the Most Honourable Order of the Bath, a Colonel in Her Majesty's army, Her Britannic Majesty's Acting Commissioner for Uganda, for and on behalf of Her Majesty of the other part, the said Kabaka Mwanga did pledge and bind himself, his heirs and successors to conditions in all respects similar to the conditions set out in the said Agreement:

AND WHEREAS by an Agreement made on the 10th day of March, 1900 (hereinafter referred to as "the Buganda Agreement, 1900") between Sir Henry Hamilton Johnson, Knight Commander of the Most Honourable Order of the Bath, Her Majesty's Special Commissioner, Commander-in-Chief and Consul-General for the Uganda Protectorate and the adjoining Territories, on behalf of Her Majesty Queen Victoria on the one part and the Regents and certain Chiefs of Buganda on behalf of the Kabaka of Buganda, and the Chiefs and People of Buganda on the other part, the relationship between Her Majesty's Government, the Government of the Protectorate of Uganda, (hereinafter referred to as "the Protectorate Government") and the Kabaka, Chiefs and People of Buganda, was further defined and provision was made for recognition of the Kabaka of Buganda as native ruler of Buganda under Her Majesty's protection and over-rule:

AND WHEREAS by various supplementary Agreements the Buganda Agreement, 1900, has been extended and modified:

AND WHEREAS by an Ordinance of the Uganda Protectorate, entitled the Buganda Courts Ordinance, enacted with the concurrence of the Buganda Government, further provision has been made for the administration of justice in Buganda:

AND WHEREAS Her Majesty's Government has given an assurance to the Kabaka, Chiefs and People of Buganda in the following terms:—

"Her Majesty's Government has no intention whatsoever of raising the issue of East African federation either at the present time or while local public opinion on this issue remains as it is at the present time. Her Majesty's Government fully recognises that public opinion in the Protectorate generally and Buganda in particular, including the opinion of the Great Lukiko, would be opposed to the inclusion of the Uganda Protectorate in any such federation; Her Majesty's Government has no intention whatsoever of disregarding this opinion either now or at any time, and recognises accordingly that the inclusion of the Uganda Protectorate in any

such federation is outside the realm of practical politics at the present time or while public opinion remains as it is at the present time. As regards the more distant future, Her Majesty's Government clearly cannot state now that the issue of East African federation will never be raised, since public opinion in the Protectorate including that of the Baganda, might change, and it would not in any case be proper for Her Majesty's Government to make any statement now which might be used at some time in the future to prevent effect being given to the wishes of the people of the Protectorate at that time. But Her Majesty's Government can and does say that, unless there is a substantial change in public opinion in the Protectorate, including that of the Baganda; the inclusion of the Protectorate in an East African federation will remain outside the realm of practical politics even in the more distant future".

AND WHEREAS Her Majesty's Government has given an undertaking that, should the occasion ever arise in the future to ascertain public opinion in terms of the aforesaid assurance, the Protectorate Government will at that time consult fully with the Buganda Government and the other Authorities throughout the country as to the best method of ascertaining public opinion:

AND WHEREAS by an Agreement made on the 15th day of August, 1955, entitled the Buganda (Transitional) Agreement, 1955, representatives of Her Majesty and of the Kabaka, Chiefs and People undertook that this Agreement should be executed:
